This image shows a blank page with a light beige or off-white background. The surface has a subtle, slightly mottled texture with some very faint, darker spots and a few small, dark specks. Along the right edge, there is a thin, dark vertical strip, which appears to be the binding or a scanning artifact. The overall appearance is that of a plain, unprinted sheet of paper.

We have some of the Best Standard varieties of Gladiolus in stock. Prices on request.

GENERAL INFORMATION

I take this opportunity to thank my many patrons for continued confidence and patronage, assuring them that all orders will have my personal attention. The varieties listed will give satisfaction if given the proper care and cultivation. We use and offer only field grown roots without forcing and our plants are taken from same. Our stock is State Inspected. May I suggest that you order early as many varieties will be sold out by planting time and orders are filled in the order received. Our prices are for good quality stock carefully grown and handled, and are as low as is consistent with good sound business practice. Cultural instructions with each order. Guarantee: We guarantee all roots or plants, true to name and in good growing condition at time of delivery and will cheerfully replace any that fail in either respect. We do not substitute unless so ordered. Terms: Cash with order or 25% will hold your order and the balance before delivery. Usual discount to the trade. Shipments: Roots, May 1st to June 15th, unless otherwise ordered. Plants, May 15th to June 15th. We grow other varieties not listed, if you are interested in a particular variety write, we may have it. We won in the Akron, Ohio Shows for the best commercial display in 1932, 2nd prize, in 1933, 1st prize a silver cup, and again in 1934, 1st prize with a silver cup. We urge that you join a Dahlia Society and subscribe for the Mid-West Dahlia News. We will gladly furnish further particulars.
